**WIPFLI**

## **Independent Auditor's Report**

Board of Directors  
Youth Homes  
Missoula, MT

### ***Report on the Audit of the Financial Statements***

#### ***Opinion***

We have audited the accompanying financial statements of Youth Homes (the "Agency"), a nonprofit organization, which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of Youth Homes as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America ("GAAP").

#### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Governmental Auditing Standards* (2022 only), issued by the Comptroller General of the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Youth Homes and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Youth Homes' ability to continue as a going concern for one year after the date the financial statements are available to be issued.

## ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* (2022 only) and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards* (2022 only) and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Youth Homes' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Youth Homes' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

### ***Other Matters***

#### ***Other and Supplementary Information***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards as required by Title 2 U.S. *Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis, and is not a required part of the financial statements. The Schedule of Expenditures of Federal Awards is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated in all material respects in relation to the financial statements as a whole.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards* (2022 only), we have also issued our report dated November 2, 2022 on our consideration of the Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Youth Homes' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* (2022 only) in considering the Agency's internal control over financial reporting and compliance.

### **Note 1: Summary of Significant Accounting Policies**

#### **Organization**

Youth Homes (the "Agency") is a Montana private, non-profit corporation certified as a charitable organization. The Agency's corporate office is located in Missoula, Montana at 550 North California Street. Founded in 1971, Youth Homes provides three core and other services to care for and treat children and youth (ages 0 to 18) who are struggling with abuse, neglect, chaos, emotional challenges, substance abuse, family conflict, poor choices and legal problems. The Agency offers emergency shelters, therapeutic group homes, transitional living program, family care program including foster care, adoptive services and child and family counseling. As a licensed child placing and adoptive agency, Youth Homes recruits, screens, trains and places children into special foster homes. In addition, the Agency provides correctional placements in individual Guide Homes. Services are provided solely to Montana children. Priority is given to serving children closest to their homes. The Agency operates a shelter and four group homes in Missoula and dual licensed shelters in Hamilton and Kalispell. In Helena, the Agency operates a shelter and therapeutic group home. Our family services and family support services operate out of Missoula, Polson and Helena but serve children and youth throughout Western Montana. Youth Homes' efforts are always targeted at eventual family and permanent placement and a future for the children we serve beyond treatment and care and into their adulthood.

#### **Basis of Accounting**

The financial statements of the Agency have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States.

#### **Cash and Cash Equivalents**

Cash and cash equivalents include cash in banks and on hand, and highly liquid debt instruments that are readily convertible to known amounts of cash. Such debt instruments have maturities of three months or less from the date of purchase.

#### **Investments**

Investments consist of debt instruments with original maturities to the Agency in excess of three months and equity securities. The Agency has adopted ASC No. 958-320, Accounting for Certain Investments Held by Not-for-Profit Organizations. ASC No. 958-320 requires that investments in equity securities with readily determinable fair values and all investments in debt securities shall be measured at fair value with realized and unrealized gains and losses on investments reported in the statements of activities.

Per ASU 2016-14, Not-for-Profit Entities (Topic 958) – *Presentation of Financial Statements of Not-for-Profit Entities*, investment income is reported net of investment fees and expenses.

#### **Inventories**

The Agency does not record inventories in its financial records. Such items consist of office and operating supplies which are expensed when purchased. The amount of inventories on hand as of June 30, 2022 and 2021 are not considered material to these financial statements.

### **Note 1: Summary of Significant Accounting Policies** (Continued)

#### **Fee for Service**

Fee for service revenue is reported at the amount that reflects the consideration to which the Agency expects to be entitled in exchange for providing patient care. These amounts are due from patients or third-party payors. Generally, the Agency bills the patients and third-party payors several days after the services are performed. Revenue is recognized as performance obligations are satisfied. Performance obligations are determined based on the nature of the services provided. For revenue from services provided to patients of the Agency, the performance obligation is satisfied as the patient simultaneously receives and consumes the benefits provided as the patient services are performed. In the case of these services, recognition of the obligation over time yields the same result as recognizing the obligation at a point in time. The Agency believes this method provides a faithful depiction of the transfer of services over the term of the performance obligation based on the inputs needed to satisfy the obligation.

The Agency determines the transaction price, which involves significant estimates and judgment, based on standard charges for goods and services provided, reduced by contractual adjustments provided to third-party payors. The Agency determines its estimates of contractual adjustments based on contractual agreements and historical experience.

#### **Contribution Revenue**

Contributions, including promises to give, are considered conditional or unconditional, depending on the nature and existence of any donor or grantor conditions. A contribution or promise to give contains a donor or grantor condition when both of the following are present:

- An explicit identifying of a barrier, that is more than trivial, that must be overcome before the revenue can be earned and recognized.
- An implicit right of return of assets transferred or a right of release of a donor or grantor's obligation to transfer assets promised, if the condition is not met.

Conditional contributions are recognized when the barrier(s) to entitlement are overcome. Unconditional contributions are recognized as revenue when received.

Unconditional contributions or conditional contributions in which the conditions have been substantially met or explicitly waived by the donor are recorded as support with or without donor restrictions, depending on the existence and nature of any donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized.

## Notes to Financial Statements

---

### **Note 1: Summary of Significant Accounting Policies** (Continued)

#### **Grant Revenue**

Grants are either recorded as contributions or exchange transactions based on criteria contained in the grant award.

Grant Awards That Are Contributions - Grants awards that are contributions are evaluated for conditions and recognized as revenue when conditions in the award are satisfied. Unconditional awards are recognized as revenue when the award is received. Amounts received in which conditions have not been met are reported as a refundable advance liability.

Grant Awards That Are Exchange Transactions - Exchange transactions are those in which the resource provider or grantor receives a commensurate value in exchange for goods or services transferred. Revenue is recognized when control of the promised goods or services is transferred to the customer (grantor) in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Amounts received in excess of recognized revenue are reflected as a contract liability.

#### **Property and Equipment**

The Agency capitalizes equipment with a purchase price of at least \$5,000 and an expected life of at least 5 years. Property and equipment are carried at cost. Donated assets are valued at their estimated fair value at the date of contribution. Straight-line depreciation is used to depreciate assets over estimated lives of 5 to 27½ years.

#### **Program Activities**

Program Support is the expenses associated with providing shelter, staff support, therapies, and activities and opportunities to the residents and clients of our various programs and services. Each home and service is designed to meet individual needs and provide treatment specific to the youth and families for whom the program is designed. The Agency serves youth ages birth to 18 and in some cases beyond the age of 18. The Agency's homes and services include:

Dan Fox Family Care Program (DFFCP) started with a therapeutic foster care program in 1990. Since then, the program has progressed and grown to provide a broad array of services and approaches, all of which are focused on supporting the development of youth who are appropriate to a family setting.

Today, the DFFCP provides and supports family settings for the care of emotionally disturbed children, ranging in age from birth to eighteen. Services are provided to youth in foster care, kinship care, guardianship, adoptive homes or the child's birth family. DFFCP is also an adoption agency and works closely with the State to secure adoptions for hard-to-place children and adolescents. Families willing and able to foster and/or adopt children are recruited, screened and trained by the Agency, which holds a child-placing and adoption placement licenses from the State of Montana. Training is also available and offered to kinship and birth families.

#### **Program Activities** (Continued)

In 2001 Youth Homes expanded its model to include In-Home "Home Support Services" to birth families, much like it had done with foster families for over 10 years. Home Support Service provides home-based Treatment Managers and Therapists to families with children diagnosed with "seriously emotionally disturbance". Services include support, case planning, addressing and accessing needed services (from educational to medical), parent training, coaching and therapies. Home Support Services is provided in Missoula, Ravalli, Lake, Flathead, and Lewis and Clark Counties.

DFFCP contracts with the State Department of Public Health and Human Services to provide Transitional Living Support (TLS) in Western Montana. Staff work with youth, ages 15 ½ to 21, who are transitioning into adulthood without a permanent family. Work involves planning for emancipation, skill development and support. Work is done in coordination with other providers and those interested and committed to the youth into their future. TLS staff make weekly contact with the youth while working with them secure housing, employment and continue school. Staff also work with the youth to maintain or create a support system into their future. Length of service for TLS ranges from as little as a month to as long as 6 months.

In 2011 DFFCP assumed the Outpatient services from Friends to Youth. Since then, it has sustained and expanded an array of Outpatient Services to include Assessment, Case Management, and evidence-based Individual, Group, and Family Therapy .

Youth Homes operates four shelters including the Shirley Miller Attention Home in Missoula, the Flathead Youth Home in Kalispell, Linda Massa Youth Home in Hamilton, and the Margaret Stuart Youth Home in Helena. The Shirley Miller Home is licensed as a "Short-term" shelter serving youth for up to 45 days, the other homes are dually licensed to provide both short-term placements and longer term care. All provide 24-hour supervision, are co-educational, are licensed to serve up to 8 youth at a time, and accept youth from 10-17 years of age. All homes are intentionally modeled as "homes," where youth are integrated into the community and afforded opportunities consistent with those of "typical" children. In addition to providing a safe home environment, youth in care are mentored and supported by committed staff while crisis and other challenges are addressed with the intention of stabilizing crises, developing positive behaviors, and eventual transition back to home or other appropriate levels of care.

Tom Roy Youth Guidance Home (TRYGH) provides longer-term care and transition for older adolescents, ages sixteen to eighteen, who are not in a position to emancipate from a family. The Home serves eight youth and is also a coeducational Home and Program. The Program targets preparation for emancipation and independent living with emphasis on finishing high school, skill development for emancipation, gaining work skills and experience, and saving money for independence. As with all of our group homes, we are committed to relationships with the youth in care that can give them the confidence and trust in others. Often these youngsters have a history of legal, emotional, social, academic, substance abuse, or family problems.

The TRYGH is the site for our Youth Farm. The Farm grows vegetables in collaboration with Garden City Harvest (GCH) and practices sustainable agriculture. A Farm Manager and Farm Assistant, provided by GCH, provides meaningful work and volunteer opportunities for residents of Youth Homes and fresh vegetables for all of our local group homes. Community shares are sold and provided to neighbors, friends and supporters of both agencies and those revenues support much of the costs of operating the Farm.

Youth Homes also provides three (3) "therapeutic group homes" which each meet the unique needs of seriously emotionally disturbed teens. All provide intensive treatment for up to six "severely emotionally disturbed" adolescents, ages twelve to eighteen, with behavior, relationship, trust, sexual, oppositional and conduct-related issues. Treatment goals include improving behavior, the ability to accept care, gaining a level of lesser care and supervision after treatment, and the eventual placement of the youths back into family, birth or substitute or emancipation. Added to the staff of any of our group homes are therapists who are located in and connected closely to the Home's Staff Team.

In Missoula we have the Susan Talbot Home for Girls, Susan Talbot Boys Home and Dennis Radtke Home for Boys. The original Talbot Center was started in 1985 with a 2nd home in 1986 and the 3rd developed in 1997. The homes and program have evolved into more targeted and clinically proven treatment over the years. The two boys' homes serve six boys and the girls' home serves six girls.

All three homes accept applications from throughout Montana with emphasis on placing youth closest to home.

#### **Payroll Protection Program Loan**

In 2020, Youth Homes received a Payroll Protection Program (PPP) loan under the CARES ACT. The Agency elected to account for the loan as a financial liability in accordance with FASB ASC 470. In November 2020, this loan was fully forgiven and the liability was eliminated and a \$898,478 gain on extinguishment was recorded as miscellaneous income on the statement of activities.

#### **Income Taxes**

Youth Homes is a nonprofit organization and is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code.

### **Note 1: Summary of Significant Accounting Policies** (Continued)

#### **Cost Allocation**

The Agency allocates costs that can be identified specifically with a particular final cost objective, directly to the individual program, benefiting from those costs. Joint costs are allocated directly to individual programs using a base most appropriate to the particular cost being allocated.

#### **Advertising and Promotion**

Advertising and promotion costs are charged to operations when incurred. Advertising and promotion expense was \$31,383 and \$29,438 for the years ended June 30, 2022 and 2021, respectively.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported assets, liabilities, revenues, and expenditures during the reporting period. Actual results could differ from those estimates.

#### **Reclassification**

Certain amounts in the prior period have been reclassified to conform to the current period financial statement presentation. These reclassifications have no effect on previously reported changes in net assets.

#### **Accounting Standards Update**

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-02, Leases (Topic 842). This ASU provides guidance on the recognition of lease assets and lease liabilities by lessees for those leases classified as operating leases under current accounting standards and new disclosures on key information about leasing arrangements. The new standard supersedes current lease accounting requirements in FASB Accounting Standards Codification (ASC) Topic 840, Leases. When adopted, the amendments in the ASU must be applied using a modified retrospective approach. ASU No. 2016-02 is effective for nonpublic companies for annual periods beginning after December 15, 2021. The Agency is currently evaluating the impact of the provisions of ASC 842.

#### **New Accounting Pronouncements**

On September 17, 2020, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update No. 2020-07, Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets. The Update is expected to increase transparency around contributed nonfinancial assets (also known as “gifts-in-kind”) received by not-for-profit (NFP) organizations, including transparency on how those assets are used and how they are valued. The amendments in this Update should be applied on a retrospective basis and are effective for annual periods beginning after June 15, 2021. The Agency implemented this pronouncement in fiscal year 2022.

### Note 2: Cash and Cash Equivalents

The Agency participates in a Sweep Repurchase Agreement through a reputable financial institution. Daily, the financial institution sells to the Agency an undivided fractional interest in the principal amount of securities or financial instruments. Market risks associated with this agreement are similar to market risks associated with the security purchased. The securities have a current market value equal to or greater than the principal amount of the transaction. The funds invested in the Sweep Agreement are not considered deposits and are not insured by the Federal Deposit Insurance Corporation; however, the funds are collateralized by the securities purchased with those funds. No amounts are considered at risk as of June 30, 2022 and 2021. Although management has expressed no intention to do so, the Agency may terminate the agreement at any time.

All funds invested in the Sweep Agreement are included in cash and cash equivalents due to the short-term nature of the investment. The funds invested in the Agreement are immediately available from the financial institution.

### Note 3: Endowment Funds and Investments

The Agency's internal investment policy requires diversification between equity holdings, fixed income securities, and cash and cash equivalents. The purpose of the investments is to increase the stability of funding for the Agency and its services through the use of investment income to cover program development, special projects, and serves as an emergency reserve fund.

The Agency's investments consisted of the following as of June 30:

	2022	2021
Total investments at cost	\$ 2,632,684	\$ 2,539,238
Total investments at market	\$ 2,538,232	\$ 2,883,338
Less endowment investments at market	737,929	824,179
Current investments at market	\$ 1,800,303	\$ 2,059,159

Of the amounts above, the Agency has an established permanent, irrevocable endowment fund in the amount of \$737,929 and \$824,179 for 2022 and 2021, respectively. The principal of restricted funds, \$443,619 and \$423,619, is intended to remain whole in perpetuity, with income earned being available for the charitable purposes of the Agency.

### Note 3: Endowment Funds and Investments (Continued)

Activity related to the endowment funds consisted of:

<i>As of June 30, 2022</i>	Without Donor Restrictions	With Donor Restrictions
Beginning balance	\$ 400,560	\$ 423,619
Investment income	18,414	-
Net depreciation	(118,827)	-

Investment fees	(5,837)	-
<b>Ending balance</b>	<b>\$ 294,310</b>	<b>\$ 443,619</b>

<i>As of June 30, 2021</i>	Without Donor Restrictions	With Donor Restrictions
Beginning balance	\$ 226,575	\$ 387,119
Investment income	18,504	-
Net appreciation	161,156	-
Contributions	-	36,500
Investment fees	(5,675)	-
<b>Ending balance</b>	<b>\$ 400,560</b>	<b>\$ 423,619</b>

Youth Homes' endowment consists of funds established for the support of the Agency. As required by GAAP, net assets associated with the endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. Agency management has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, Youth Homes classifies as net assets with donor restrictions (a) the original value of gifts to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in net assets with donor restrictions is classified as net assets without donor restrictions. In accordance with SPMIFA, the Agency considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the fund, (2) the purposes of the organization and the donor-restricted endowment fund, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the organization, and (7) the investment policies of the organization.

### Note 4: Fair Value Measurements

ASC No. 820-10-35 prioritizes the inputs into three levels that may be used to measure fair value:

- Level 1: Applies to assets or liabilities for which there are quoted prices in active markets for identical assets or liabilities.
- Level 2: Applies to assets or liabilities for which there are inputs other than quoted prices that are observable for the asset or liability such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in markets with insufficient volume or infrequent transactions (less active markets); or model-derived valuations in which significant inputs are observable or can be derived principally from, or corroborated by, observable market data.
- Level 3: Applies to assets or liabilities for which there are unobservable inputs to the valuation methodology that are significant to the measurement of the fair value of the assets or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the years ended June 30, 2022 and 2021.

- Equity and debt securities are valued at the closing price reported on the active market on which the individual securities are traded.
- Money market - Valued at \$1 as the net asset value (NAV), which approximates fair value.
- Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Organization are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Organization are deemed to be actively traded.
- Exchange traded funds (ETFs) - These consist of marketable securities that track an index, a commodity, bonds, or a basket of assets like an index fund.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Agency believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the "Uniform Guidance"). ## **Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards***

Board of Directors  
Youth Homes  
Missoula, Montana

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Youth Homes as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise Youth Homes' basic financial statements, and have issued our report thereon dated November 2, 2022.

### **Auditor's Responsibility**

In planning and performing our audit of the financial statements, we considered Youth Homes' internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing opinions on the effectiveness of the Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of Youth Homes' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Youth Homes' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of Youth Homes' internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Youth Homes' internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## **Independent Auditor's Report on Compliance for Each Major Federal Program and on Internal Control Over Compliance Required by the Uniform Guidance**

Youth Homes  
Missoula, Montana

### **Report on Compliance for Each Major Federal Program**

We have audited Youth Homes' compliance with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Compliance Supplement* that could have a direct and material effect on its major federal program for the year ended June 30, 2022. Youth Homes' major federal and state programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

### **Management's Responsibility for Compliance**

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal and state programs.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on compliance for each of Youth Homes' major federal and state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal or state program occurred. An audit includes examining, on a test basis, evidence about Youth Homes' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal and state program. However, our audit does not provide a legal determination on Youth Homes' compliance.

### **Opinion on Major Federal Program**

In our opinion, Youth Homes complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2022.

## Report on Internal Control Over Compliance

Management of Youth Homes is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Youth Homes' internal control over compliance with the types of requirements that could have a direct and material effect on a major federal or state program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major or federal and state program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Youth Homes' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with a type of compliance requirement of a federal or state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal or state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
